Mobile Access:

The 23000, 15000, 5000, 3000 and 1200R include 5 users in the default package and this can be extended using Mobile Access extensions The 1430/1450 and 1470/1490 include Mobile Access for 100 and 200 users respectively

Optional Security Management Software features available:

Monitoring, Management Portal, User Directory, SmartProvisioning, SmartEvent, Endpoint Policy Management, Compliance

√ = Included

¹ The 1400 NGTX package includes Threat Emulation. Threat Extraction is not currently supported on this appliance.

² The NGFW package is available as a renewal package.
